Help Our Garden Grow—Volunteers Needed

We are excited about a new opportunity here at the NKSC. Merle Post of Post Farms on Meyers Lake Rd. has generously donated an acre of his land for us to plant a garden. We will be able to have fresh produce for our clients this fall. Besides the usual vegetables we will be planting, we have areas around our building to plant raspberries, blueberries & strawberries. Donations of plants, seeds, and manpower are always welcome.

Backpack Supplies Needed!

Even though school isn't out for the summer, here at the NKSC we are already working on our back to school project. Our goal is to supply about 500 backpacks, full of school supplies, to our client's school age children. Any donations of new backpacks, calculators and other necessary school supplies, would be greatly appreciated.

NKSC NEEDS LIST:

- ~Save your egg cartons. We will soon be able to offer our clients fresh eggs, so please save those egg cartons!
- ~Are you planting a garden this year? Consider planting an extra row of corn or beans for NKSC.
- ~Spring cleaning—Keep us in mind for donations of furniture in good condition, clothes, household items.
- ~Personal Care Items are always in high demand!
- ~Now collecting Christmas items for our Christmas in July Sale. Open to the public!
- ~A BIG THANK YOU to the North Kent Community for continuing to support food drives through the schools, churches, boy scouts and many other civic organizations. With these donations we are able to keep our Food Pantry stocked so we can truly "Help Our Neighbors in Need."
